Dear Mr. Mann:

On June 27, 2008, the Division of Waste Management (the Division) received your permit application for continued of your C&DLF. The report is entitled:

- *Dare County Construction and Demolition Debris Landfill Permit Modification*. Prepared by: Camp Dresser & McKee (CDM), Raleigh, NC. Prepared for: Dare County. June 26, 2008. DIN 5028.

The Division has preformed an administrative review of your application for a determination of completeness. Your application has been determined to be complete within the context of NCCGS 130A-295.8(e). A determination of completeness means that the application includes required components, but does not mean that the components provide all the information that is required for the division to make a decision on the application. The next step is for the division to review the submittal for compliance with the rules, 15A NCAC 13B .0547.

Dare County is authorized to continue operating the C&DLF Unit in accordance with your most recent Solid Waste Permit – Permit to Operate dated December 18, 2006, and the Solid Waste Management Rules, 15A NCAC 13B.

Should you have any questions regarding this matter you may contact me at (919) 508-8507
